ABOUT THE PORT ORCHARD FARMERS MARKET

Since 1978, the Kitsap Regional Farmers Market Association (KRFMA) has operated the Port Orchard Farmers Market (POFM). POFM has been a place where families and people of all ages and backgrounds come to buy food, farm products, and crafts; interact with community groups at the market; and enjoy local entertainment and events. Our market is on the beautiful Port Orchard waterfront and the vendors and community are friendly and fun. The market is near downtown shops and restaurants, the Bremerton foot ferry, Marina, Waterfront Park, and public transit. There is a public boardwalk and walking path along the waterfront just outside the market space. The market averages 40 vendors during the peak of the season, with less during the early and late season. We support state and federal nutrition assistance programs and educational activities for children. We've always been a WA state non-profit organization and in March 2020 were granted federal 501c3 non-profit status.

MARKET LOCATION

Port Orchard Farmers Market (POFM) is in the city parking lot directly behind Peninsula Feed Store (901 Bay St), just off Bay Street & Harrison, next to Waterfront Park. Please note, as our market is on a public waterfront with a walking path and near a public park, it is a popular area for people to walk their leashed dogs.

2024 POFM HOURS AND DATES

MARKET ORGANIZATION AND OPERATION

The Kitsap Regional Farmers Market Association ("KRFMA") operates the Port Orchard Farmers Market ("Market" or "POFM"). We are a 501c3 non-profit charitable corporation. We transitioned from a member run to a board run market at our 2022 Annual Meeting. Members elect all the officers. Each member has 1 vote. You must be a member of the market to be a vendor, but you may be a member without being a vendor. We welcome community members! Our members elect the Board of Directors (aka "the board") at the Fall Meeting and vote on the 2024 annual operating budget at our 2024 Spring Meeting. The all-volunteer Board of Directors oversees the budget and management of the market on behalf of the membership, and holds regular meetings, which are open to all.

The POFM is a member of and adheres to the guidelines set forth by the Washington State Farmers Market Association (WSFMA) and incorporates those guidelines herein. WSFMA regulations can be found in their "Getting Back to Our Roots Guide" on their website www.wafarmersmarkets.com

Market Business is conducted at meetings, not at Market. Our Manager runs the market on Saturdays and has the final authority on any decision during market hours. Vendors are required to follow the Market Manager's instructions, or they may lose their vending privilege. If a member disagrees with a decision of the Manager, he/she must follow the grievance procedure as outlined in the Bylaws.

APPLYING TO BE A POFM VENDOR

Acceptance - Vendors are accepted based on residency within the Greater Kitsap Peninsula boundaries, market product balance, and seniority.

Application - Applications are online through Manage My Market. If you are unable to apply online, contact the Market Manager for assistance. The Screening committee determines eligibility and the Manager determines product fit within the market, to assure the best balance and variety of products. At times, a product category may be full, and the market maintains waiting lists when that happens.

Licenses and Permits - For more information also see "Vendor Resources" document on our website

- Each Vendor is responsible for obtaining all necessary Federal, State and Local permits and licenses & will provide copies to the Market Manager. Even kid vendors must follow regulations.
- Vendors will provide proof of auto liability insurance for any vehicle brought into the market at any time.
- Vendors will display licenses / permits at their booth as required by law / regulation.
- Any Vendor selling anything other than fresh produce they grew themselves must have a valid WA State Master Business License (UBI #). (many produce only vendors will need a license too, see Resources for Vendors)
- The City of Port Orchard has waived their city business license requirement for our market vendors that do not sell anywhere within the City of Port Orchard other than at the farmers market.

<https://www.cityofportorchard.us/search-site/?term=farmers+market+business+license>

Product Screening – Artisan & craft vendors must have their products screened in person or online prior to vending. The Screening committee oversees this process. New product lines are also to be screened and approved before selling them. Once approved, products don't need to be screened every year. There is a Screening Application form on our website. Incomplete applications with no pictures will likely be denied.

Equipment & Supplies - Each vendor is solely responsible for providing their own canopy, tables, etc. for vending. The market only supplies space.

Liability - The KRFMA / POFM disclaims any and all liability that may arise from the sale of goods by the vendors or by the conduct of the vendors. The KRFMA / POFM in no way guarantees the marketability or fitness of the vendors' goods, nor does KRFMA / POFM guarantee the success of the vendor's efforts. Vendors agree to hold the KRFMA / POFM harmless for any problems that may arise from the vendors' use of the property occupied by the farmers market.

Insurance – The POFM does not provide liability or property damage insurance coverage of any kind to any vendor. We encourage vendors to carry their own business and liability insurance.

Taxes - Each vendor is an independent business owner and is responsible for collecting and paying any taxes.

Water - There is a water faucet to fill buckets and on site (back of Peninsula Feed). Bring buckets.

Electricity - available for \$5 daily fee – outlets at Waterfront Park end of market space on the side of the restroom building. Vendor supplies outdoor extension cord (long one needed) and must secured and covered to the pavement to avoid a tripping hazard.

Generators - must be approved by the Manager before use (noise level check).

Site Visits - All vendors agree, if requested, to have a POFM Site Visit Committee visit the vendor's physical production or farm location(s) to verify they are producing or growing their products per WSFMA and POFM policies.

Policies - All vendors agree to familiarize themselves with and follow the policies and procedures in this Member/Vendor Guide, including POFM Market Rules & Bylaws and also ensure helpers and employees do as well.

MARKET MANAGER:

ALL VENDORS AGREE TO FOLLOW MARKET MANAGERS INSTRUCTIONS ON MARKET DAY. The Market Manager, may, at his/her discretion, make operations decisions for safety reasons or to ensure a smoothly operating and visually appealing market.

This may include but is not limited to:

- Closing the market early due to safety issues such as weather or other dangerous and/or uncontrolled activity.
- Requesting vendors to move places on market day
- Changing Market layout due to special events happening in the market or in the general area by outside enterprises.

On occasion other special events occur downtown or on the waterfront and our market may be moved slightly and/or market hours may be extended. Vendors can choose whether to vend regular market hours or extended hours. If the vendor chooses to leave and not stay for the extended time, a specific time for exit will be decided on and vendor must pack items out without bringing in a vehicle. The decision to leave needs to be given to the manager before setting up in the morning so that the manager may place them in a position to exit safely.

BEHAVIOR:

- Vendors will be respectful and courteous to each other, Market Staff, and market shoppers always. Our purpose is to provide a safe, pleasant, fun place for our vendors to sell and the public to shop. See also Market Rules.

GENERAL SAFETY and LIABILITY:

- If you have a dispute or grievance with a member of the community, customer, other vendor, volunteer, or staff (criminal acts, bad behavior, etc.) report it to the Manager or President immediately so it can be resolved.
- Animal exposure is not covered under the market’s insurance. No dogs or animals shall ever be brought to the market by a vendor unless it is a service animal or covered by a \$1,000,000 liability insurance policy. This is non-negotiable. Vendors must also fill out and submit a form if they wish to have a dog or other animal at their booth.
- If you observe a hazard, tell the Manager so it can be dealt with immediately. If you can safely remedy it, please tell the Manager so it can be notated.

POLICY GOVERNING CANOPIES & UMBRELLAS

WSFMA Requirement: "All vendors who wish to erect canopies (including umbrellas) on the Farmers Market site during a normal period of market operations, including the set up and break down period, are required to have their canopies sufficiently and safely anchored to the ground from the time their canopy is put up to the time it is taken down. Any vendor who fails to properly anchor his or her canopy will not be allowed to sell at the Farmers Market on that market day, unless that vendor chooses to take down and stow their canopy and sell without it. Each canopy leg must have no less than 24 lbs. (pounds) anchoring each leg."

For examples of recommended safety methods pertaining to canopy weights, please refer to "Canopy Safety 101" document located at www.wafarmersmarkets.com.

Our WSFMA membership requires all vendors follow this rule always, no exceptions. WSFMA suggests a minimum of 24 pounds, but that may not be enough. Our market, being on the water, does experience extreme wind gusts. We do not guarantee 24 pounds will be sufficient. It is the Vendors responsibility to sufficiently secure his/her own canopy or umbrella. If in doubt, use more weight.

If the legs of your canopy are angled or you use rough concrete blocks for a tie-down: you MUST trip-proof these by displaying around them or otherwise blocking them off.

TYPES of VENDORS and PRODUCTS ALLOWED

Products not allowed

- **No Commercial or Imported Items**
- **No Second-Hand Items**
(Exception: Those vendors who take a second-hand item and recycle that item for a new use.)
- **No Franchises:** Those who have entered into an agreement or received a license to sell a company's products and/or use a company's packaging, logo, ingredients, and/or marketing tools under that license or any franchise agreement;

Who Is Allowed to Sell at the Farmers Market and what can be sold

No person, organization or business entity having a commercial/retail business location may be a vendor at the Market, except a food vendor (see Market Rules 2 for more information)

☐ FARMERS (Producers) - *must live and farm within Washington State. Preference given to Farmers in Kitsap County*

Farmers raise produce, plants or botanicals, or animals which they sell at The Market on land they own, lease or rent, in the State of Washington. The definition of Farmer may also include someone who processes produce, fruit, berries, botanicals, meats, honey, etc., which is grown, raised, or harvested on their owned, leased or rented property, in the State of Washington and then turned into value added product(s) such as jams, cider, salsa, vinegars, alcoholic beverages (*), essential oils or any other botanical use. It may also include Farmers who raise the basic ingredient(s) of a product, but who must send it out for fundamental processing, either within Washington State or border counties, before creating the value-added product. Such Vendors might include those Farmers selling certain essential oils, smoked meats or fish, etc. This excludes Resellers or those who might work on or manage a corporately owned farm and have permission to dispose of surplus product.

- ☐ **"BACKYARD FARMERS":** of any age are invited to sell their own farm products at our Farmer's Market up to 5 times per year at greatly reduced Fees. Backyard Farmers must grow all the farm products they sell themselves on their own property. This category is mainly for home gardeners and small farms with excess harvest.
- ☐ **SEAFOODS:** *The vendor must own, lease, or operate the fishing vessel or own, lease or rent the parcel of land where the seafood is caught or harvested for sale. The vendor must be a legal resident of the State of Washington.*
- ☐ **ALCOHOLIC BEVERAGES:** *Alcoholic beverages must be made entirely from ingredients grown in Washington, or from grapes grown in a recognized Washington appellation, except for certain additives required for processing which cannot be produced in the State of Washington, not amounting to more than 5% of the total volume of the beverage. Because at this time there appears to be no beer made in Washington State that meets these requirements, WSFMA recommends that its Member Markets only apply to be authorized for wine sales by the State Liquor Control Board.*

LICENSING & PERMITS - Farmers who only grow fresh produce (fresh fruit, vegetables & herbs) to sell are exempt from state business licensing if they sell less than \$12,000 annually. All other farm products (flowers, plants, honey, fish, dairy, meats, processed products, wild harvested, etc.) require a valid WA State Business License (UBI #). Farmers and farm processors may be required to hold other permits and licenses and should contact their local health department and the State of Washington for these. Fresh salad mixes & sprouts must meet local & state requirements for production. Farmers selling produce by weight must use a valid registered commercial scale.

□ PROCESSORS - *must reside on the Kitsap Peninsula. Preference given to Kitsap County residents.*

Processors sell foods that they have personally prepared or processed on property that they own, rent, or lease. Processors offer food products (such as meats, seafood, ciders, wines, baked goods, jams, nuts, etc.) that have added value to their product through some sort of “hands-on” processing (e.g., hand-filleted fish, smoked or butchered meats, handmade candies/nuts, etc.), but have not raised the ingredients themselves. Processed food producers should use ingredients from Washington State farms or waters as much as possible, and the market will give stall preference to those Processors who use ingredients from Washington State farms or waters. Bakeries must be family owned and staffed.

- ❖ *SEAFOODS: Seafood vendors products must originate from the greater Pacific Northwest, which includes Washington, Oregon, Alaska and British Columbia.*
- ❖ *ALCOHOLIC BEVERAGES: Alcoholic beverages (currently wine only) must be made entirely from ingredients grown in Washington, or from grapes grown in a recognized Washington appellation, except for certain additives required for processing, but which cannot be produced in the State of Washington, not amounting to more than 5% of the total volume of the beverage.*

LICENSING & PERMITS - Processors must meet all Federal, State, County and local Health Department requirements. All appropriate permits and licenses must be submitted and filed with the Market Manager. At a minimum, processors will need a valid Washington State Business license, and may need a Food Handlers card and a valid Temporary Food Establishment Permit if Sampling. (Contact local Health Dept to determine if you are required to have a WSDA Certified kitchen or License). Processors must meet all food safety & health requirements. All appropriate permits and licenses shall be displayed.

□ RESELLERS - *must reside on the Kitsap Peninsula. Preference given to Kitsap County residents.*

Resellers must obtain approval in advance from the Manager for each product they wish to bring to Market. Resellers buy produce from farmers in Washington State and resell it directly to the consumer. Resellers are allowed to sell at WSFMA Member Markets, but do have strict criteria to follow:

- ❑ Resellers are expected to be the only stop between the grower and the consumer. The product they buy must not come from shippers, warehouses, jobbers or wholesale distributors.
- ❑ They must not sell any produce not grown in Washington State (For example: oranges or bananas).
- ❑ They may sell any produce they grow themselves on their own property (see Farmers).
- ❑ Resellers are sellers of crops that cannot be grown reliably, or are not offered for sale in sufficient quantity, by Farmers selling at Market.
- ❑ Resellers must have all crops pre-approved by the Member Market’s governing body before delivering the crops to market for sale. Approved, resold crops must be specifically limited, so as not to compete with the crops of our local Farmers.
- ❑ All Resellers, or Farmers, must label their products as being resold if they are not selling products which they have grown, raised, or harvested themselves on property that they own, lease, or rent.
- ❑ **All information declaring which products are resold must be available and displayed for the consumer to easily read. Signage must clearly state which farm(s) produced the products; other terms synonymous with “resold” may be substituted.**

LICENSING & PERMITS – Resellers must have a WA Master Business License.

☐ **PREPARED FOOD VENDORS** - *must reside on the Kitsap Peninsula.*

Prepared Food vendors (Concessionaires) offer freshly made foods, available for sale and immediate consumption on-site at Market. Prepared Food vendors should use ingredients produced in Washington State as much as possible and the Market will give preference to those vendors using ingredients produced in Washington State farms or waters.

- Prepared Food Vendors must have their product screened by the Screening Committee or approved by the Market Manager. Any trailers or generators must be approved through the Market Manager.
- Prepared Food Vendors can “try” our market one market day of the year at no charge- this is in order to encourage more reliable food vendors.

LICENSING & PERMITS - Prepared Food vendors shall submit and possess and maintain all required State, County, and local Health Department permits and file copies with the Market Manager. A \$1,000,000 liability insurance policy is required, as well as a valid Washington State Business license, a Food Handlers card and a valid Temporary Food Establishment Permit (these are minimum requirements). Sampling requires a separate permit. (Contact local Health Dept to determine if you are required to have a WSDA Certified kitchen or License)

☐ **ARTISANS / CRAFTERS** - *must reside on the Kitsap Peninsula.*

One who creates with their own hands the products they offer for sale at the Market. To qualify as an Artisan/Crafter, a majority of the tools and equipment used to produce their products must require skill, personal handling and/or manipulation. Artisans/Crafters should incorporate materials grown or produced in Washington State as much as possible and the Market will give priority to those Artisan/Crafter vendors who use materials from Washington State.

All products (including new products for current vendors) are reviewed by our Screening Committee for quality and to verify they are locally made. Screening Crafters do not set-up on the day they are screened. A postcard or email with screening results is sent to the applicant within a week of screening. The Market Manager approves product(s) with the goal of balancing various product offerings at the market and farmer / crafter vending ratio.

LICENSING & PERMITS - Artisan / Craft vendors must have a valid Washington State Business license.

THE KITSAP REGIONAL FARMERS MARKET (KRFMA)
OPERATING THE PORT ORCHARD FARMERS MARKET (POFM)

MARKET RULES

Amended January 12, 2022

General Rules

1. KRFMA is a Member of and abides by the Market Membership and Roots Guidelines and policies of the Washington State Farmers Market Association (WSFMA), unless otherwise stated in the KRFMA Bylaws, Market Rules or other written policies. The Vendor Guide and Member Newsletter are official publications of KRFMA
2. No person, organization or business entity having a commercial/retail business location may be a vendor at the Market, except a food vendor. Food vendors will be considered on an individual basis with preference given to individuals with access to certified kitchens without a commercial/retail business location. The Market Manager shall examine the required credentials of the food vendor with or without a commercial/retail business location and approve that vendor's application on an "as needed" basis for the Market. CSA farms, home delivery farms, sell on site farms and u-pick farms are not considered to have commercial/retail business locations. Crafters and Processors who sell as a cottage industry from their home are also not considered to be a commercial/retail location.
3. Vendors agree to sell products of good quality. The Market will not permit spoiled produce, diseased plants, or products of poor quality to be sold at the Market.
4. Vendors will conduct themselves courteously at the Market. It is The Market's intent to win friends and to serve the public, thereby benefiting both vendors and customers.
5. Barker style sales pitches, baiting, pestering or pleading are not acceptable. Misrepresentation of your product or degradation of a fellow vendor's product, in order to make a sale, are unacceptable.
6. The Market is not a forum for political or religious activities. Vendors are asked to refrain from campaigning or proselytizing. Space will not be granted for these purposes.
7. Pricing of goods sold at the Market is solely the responsibility of the individual vendor. However, the Market Manager does reserve the right to conduct Market research and set a low-price limit, and vendors will not be allowed to sell below this price. Vendors are discouraged from giving produce or merchandise away for free or at below-cost pricing, as this undercuts potential sales for other vendors. This does not include sampling.
8. Any vendor wishing to bring a pet to market is required to provide a certificate of insurance with a minimum of \$1,000,000 per occurrence for bodily injury & property damage animal liability insurance coverage, naming the KRFMA as Additional Insured. Vendors must fill out a form verifying dates the pet will be at the market as well as insurance.
9. Anyone driving a vehicle into the market must provide proof of valid auto liability insurance.
10. Vendors will not smoke within the market.
11. Vendors will give the Market Manager at least 48 hours' notice of cancellation if unable to attend a date they are scheduled for. You will also be charged the daily booth fee. A vendor who "no shows" (just doesn't show up on market day after telling the Manager they would be there) 3 or more times may lose their vending privileges for a period of time, to be determined by the Board of Directors.

12. Payment of Dues & Fees - Dues are payable in full upon acceptance of the application for membership. Stall Fees may be paid in advance or at the end of each market day by cash or check. Any missed payments must be paid at the end of your next market day or you will not be allowed to vend until payment is made.

Vendor Spaces

1. A standard stall can be a front foot measurement of 5' or 10'. Upon request, additional front footage may be granted by the Market Manager if space is available.
2. Each vendor's sales area is confined to his/her assigned space plus the aisle(s) directly adjacent to it. Venturing out into the Market with sales pitches, samples, etc. is not allowed.
3. Vendors are responsible for keeping their stalls attractive during Market hours and for cleaning up their space after Market hours. Vendors will furnish their own trash receptacle and clean up any litter and take it with them at the end of Market. On-site trash receptacles are not to be used by vendors.
4. Vendors will not play music, the radio, sound or video recordings if a customer or another vendor voices a complaint.

Grievance Procedure

Any grievance regarding conduct of a vendor, products being sold or complaints regarding Market Rules or Market Operational Policies should be brought to the Market Manager. If the complaint is not resolved by the Market Manager or does not pertain to Market Rules or Market Operational Policies, the grievance may be addressed as outlined in the KRFMA Bylaws.
