

# Port Orchard Farmers Market

Open Mid April through Mid October at the Port Orchard Waterfront from 9am to 2pm

Since 1978, the Port Orchard Farmers Market has been providing a place for the Port Orchard community to purchase fresh produce, flowers, prepared foods, and handcrafted items directly from local farmers and artisans. Going to the market is an experience; shop for fresh produce, buy some gifts, have lunch and listen to local musicians. Other local non-profits and community groups can set up booths to let the community know about their services. Kids can participate in our free POP Kids Club and get \$2 to spend on fruits and veggies for doing the monthly activity. The market processes EBT cards and matches the first \$25 per day to help provide more fresh food for those who need it most. As the only 501(c)(3) non-profit farmers market in Kitsap County, we proudly serve our farmers, small business owners, and the community.

In 2022, shoppers spent over \$513,000 buying locally from our vendors. An average market day brought nearly 900 shoppers to the market (23,264 visits for the season). Over 200 kids participated in POP Kids Club and \$10,007 was provided in EBT matching funds.

Next year, we are celebrating our 45th Anniversary Season and we would like you to be a part of it! Your sponsorship will help us promote the market, provide bigger and better events, and expand our programming including bringing back Chef at the Market. In return, we get the pleasure of promoting your business to our customers. If you do not see a sponsorship level that works for you, call or email and we can create a custom package just for you! We look forward to working with you!
